

Prayer changes things. We've seen it over and over. We want to spend the next six weeks lifting up the people in our lives that need to experience the love of Jesus. Use this guide to help you as you are praying to share your faith with friends and family.

A helpful tool as you read each day's scripture is the SOAP prayer pattern:

Scripture: Read the Word

Observation: What is God saying to you?

Application: How can I apply this today? How can I live this out?

Prayer: Open a conversation with God. Ask Him to help you live this out in sharing your faith with others.

We've also included a "key truth" with each day's Scripture. As you reflect on what Jesus has done for you, imagine Jesus doing the same for your family, friends, neighbors, and co-workers.

Note: Saturday and Sunday are meant to be counted as one day.
